MADRAS SECRETARY TO GOVT. 12 OCT 43 DEVELOPMENT DEPARTMENT

Enclosures: R.O.C. No. 4023-II/43-8, dated 9th October 194 3.

Sir,

Sub:- Buildings - Veterinary Hospital, Mangalore - Breeding bull shed.

I have the honour to state that there is a breeding bu shed on land T.S.No.96-2.B of Kodialbail, Mangalore Taluk, adjoining the residential quarters of the Veterinary Assista Surgeon in charge of the Veterinary Hospital, Mangalore. T compound is registered as Jail Warder Line, Pormboke in the records of the Revenue Department. The shed is reported to have been erected by the District Advancement Association, South Kanara from public donations with the permission of th Collector, but this Association has now ceased to exist. There is no definite information either in the District Veterinary Office, Calicut or in the Collector's Office, Mangalore to show the conditions under which and by whom the construction of the shed by the Association in question was sanctioned or the authority who accepted the transfer of the building to the Veterinary Department, except a resolution o

the Association deciding to hand over the bull shed to this Department. A copy of the resolution is enclosed herewith.

2. The Executive Engineer, West Coast Division, Calicut who was asked to carry out certain urgent repairs to the bull shed has stated that in the absence of information as to the competent authority who accepted the transfer of the shed to this Department, its inclusion in the Public Works Department registers requires the sanction of Government.

3. In the circumstances, I request that orders may kindly be passed to have the breeding bull shed attached to the Veterinary Hospital, Mangalore borne on the registers of the Public Works Department.

I have the honour to be
Sir,
Your most obedient servant

,, the Superintendent, Government Press, for publication of the notification in the *Fort St. George Gazette*.

Copy of letter No. 1774-S.E., dated 12-11-43 from the Executive Engineer, West Coast Division, Calicut to the Superintending Engineer, Nirtstore Circle:--

Subject:-- Buildings - Veterinary Hospital, Mangalore - Breeding bull shed.- Ref: Chief Engineer's Endn General, Pldgs&ARP, Endt. No.3234-Ac/43-CR dated 26th October 1943

The shed referred to is located to the east of the veterinary surgeon's quarters at Mangalore, and has got roof of plain Mangalore tiles over bamboo rafters. The walls are of laterite masonry for about 4 ft. height, and mud above. There are 2 rooms in the shed, one is intended for storing fodder for the bull while the other is for storing the grain, gram, etc. for the bull. There is a small verandah, put up on the western side of the shed with roofing with cadjan leaves straw. The caretaker of the bull is occupying this verandah and also a room intended for storing grain.

2. The roof xxx of the bull shed consisting of mangalore tiles on bamboo rafters and country wood bressummers etc is in dilapidated condition and requires urgent renewal such as (1) renewing the rotten country wood bressummers and ridge (2) replacing bamboo rafters by country wood rafters and (3) other petty items such as tarring wood work, repairs to floor etc. Necessary plan and estimate amounting to R 410/- were prepared and sent to the Director of Veterinary Services, Madras in my No.4838-M dated 19-11-42. As the building was not borne in the P.W.D. register, the Director was asked for information as to authority for taking over the shed. While returning the estimate duly countersigned, the Director stated in his D.Dis.No.9526-11/41 dated 20-7-43, that there was information to show that the bull shed was permanently given to his department by the Dt.Advancement Association, Mangalore in 1941 and that the building may be included in the P.W.D. register of buildings and carry out the repairs. The Director was requested to obtain sanction of Government for inclusion of the buildings in the P.W.D.Register. He was also informed that the urgent repairs may be carried out by him departmentally or will be done by me if funds are to be placed at my disposal. Please see copy of my letter No.4200-M dated 17-9-43 enclosed.

3. There is no objection to the shed being taken over and maintained as recommended by the Director.

Copy of letter No.4200-M dated 17-9-43 from the Executive Engineer, We Coast Dn.,Calicut to the Director of Veterinary Services,Madras:

Veterinary Hospital, Mangalore - breeding bull shed - transferred by the District Advancement association to the Veterinary Department - repairs.

Reference:-- Your D.Dis.No.9526-11/41 dated 20-7-43.

The inclusion in the P.W.D. register of a building put up by a private body and not formally handed over to the department by any competent authority seems to require the approval of Government. I request that this may be obtained.

Pending orders of Government for inclusion of the building to the P.W.D. register, the repairs to the structure have to be carried out by the occupying department - vide para 97 (2) of the P.W.D.Code extract enclosed). As repairs to the shed appear urgent, I suggest that the work may be done by you departmentally or if you think it necessary, carried out by the P.W.D. on behalf of the Veterinary Department. In the latter case, the usual contage charges will have to be added to the estimate amount and funds xxxxxxxxxx provided by you out of your grant for petty construction and repairs. Please let me know if you wish me to do the work.

Government of Madras

PUBLIC DEPARTMENT

G.O. No. 353, 18th April 1928

Establishment—Typewriting clerks and stenographers—Pay of existing incumbents—Orders passed.

READ—the following papers :—

G.O. No. 1054, Finance, dated 20th October 1921
" 50 " " 16th January 192
" 130, Public, dated 15th February 1928

Order—No. 353, Public

In G.O. No. 130, Public, dated the 15th February 1928, the Government prescribed among other matters that all new entrants to Government service as typists or steno-typists should be qualified by the higher grade examination in typewriting. They also directed that the pay of typists who did not possess the minimum general educational qualification should be fixed in the manner set out in clauses (5) and (6) of paragraph 2 of that order and that a typist who has only passed the lower grade examination in typewriting but is fully qualified for employment as a clerk should not be allowed to rise above the initial pay of a clerk, viz., Rs. 35 or Rs. 40 as the case may be until he has passed the higher grade test.

2. The Accountant-General and certain heads of departments and heads of offices enquire whether the orders contained in that Government Order apply to existing incumbents.

3. Existing incumbents of the posts of typists, typewriting clerks and steno-typists may be either permanent or officiating or temporary men. The latter again may hold posts in which they may be eventually confirmed without break of service or may consist of men whose tenure is of limited duration. The Government direct that the orders in G.O. No. 130, Public, dated the 15th February 1928, should not apply to persons who had been confirmed prior to 15th February 1928 or to a person on confirmation who had already rendered one year's continuous acting or temporary service before the 15th February 1928, and is subsequently confirmed in Government service without any break and that their pay should continue to be regulated by the orders in G.O. No. 50, Finance, dated the 16th January 1925, read with G.O. No. 1054, Finance, dated the 20th October 1921. In all other cases the orders in G.O. No. 130, Public, dated the 15th February 1928, should be enforced.

(By order of the Governor in Council)

H. G. STOKES,
Acting Chief Secretary.

To the Accountant-General.
" the Departments of the Secretariat.
" all Heads of Departments (including Collectors and District Judges).
" the Hon'ble the Chief Justice.
" the Superintendent, Government Press, for publication in the Gazette.
